Know Your COVID-19 Vaccine Rights

Everyone is eligible.

COVID-19 vaccines are available to everyone regardless of immigration status. Getting vaccinated will not affect immigration status, and no one's information will be shared with ICE for immigration enforcement.

Vaccines are free.

COVID-19 vaccines are free to everyone in North Carolina. The federal government is covering the cost. No vaccine provider should be charging anyone to receive the vaccine.

ID is not required.

Vaccine providers may ask to see ID to help them confirm who does or does not have insurance. Those unable to show ID can still get vaccinated.

Insurance is not required.

COVID-19 vaccines are available to everyone, even if they do not have health insurance. If uninsured and billed for the vaccine, tell the provider to bill the HRSA COVID-19 Uninsured Program.
