COVID-19 Testing and Treatment

ID IS NOT REQUIRED FOR TESTS OR TREATMENT.

Everyone can get COVID-19 tests and treatment, regardless of immigration status. An ID is not required and personal information is not shared with ICE.

INSURANCE IS NOT REQUIRED.

Federal Test-to-Treat locations

must give you antiviral pills at no cost, though you may be charged for testing and evaluation.

If you do not have insurance,

CVS stores with a Minute Clinic may cover the cost of in-person testing, evaluation, and treatment.
