COVID-19 Vaccine Management System (CVMS) – Provider Portal

Healthcare Location Manager Profile – Audit and Edit Vaccine Inventories Job Aid

Users that are assigned the Healthcare Location Manager profile in the CVMS Provider Portal can access vaccine inventory records for all locations to which they are assigned. It is imperative that the vaccine inventory records in the CVMS Provider Portal exactly reflect the actual vaccine supply on-hand.

If you are a Healthcare Location Manager, please read these instructions to learn how to:

1. Audit vaccine inventory records
2. Edit vaccine inventories in the CVMS Provider Portal

1 Audit Vaccine Inventory Records

Before beginning this process, collect physical vaccine records to match against system data.

2. Connect using your NCID username and password
3. Click on the VACCINE INVENTORY tab
4. In the view dropdown list, select **ALL VACCINE INVENTORIES**

**Tip:** It is recommended that you pin this as your default view.

5. Use the search box or sort columns by ascending or descending order to find the applicable vaccine inventory record.

6. Open the desired vaccine inventory record by clicking on the name.
7. From the DETAILS tab, scroll down and check each field in the DOSE AMOUNTS and match against the physical vaccine inventory on hand.

2. Edit Vaccine Inventory Records in the CVMS Provider Portal

If you discover any discrepancies between the physical count and the on-hand counts in the CVMS Provider Portal, follow the steps below to edit the vaccine inventory record.

1. From the DETAILS tab, click on the pencil tab next to any VACCINE INVENTOR DETAILS that require editing.

   **Note:** The only details that can be edited for DOSE AMOUNTS from this screen are TOTAL DOSES (which were entered at the time of record creation) and EXTRA DOSES.
2. Enter corrections and click SAVE
3. Navigate to the RELATED tab

4. Check each section for deprecation events including transfers, vaccine administrations, wastage events, insufficient quantities, and consolidations
5. Select individual events to edit or click **NEW** to add a new event, ensuring that all CVMS Provider Portal records match physical vaccine records and inventory.

If you have any questions or issues, please go to the CVMS Help Desk Portal at [https://ncgov.servicenowservices.com/csm_vaccine](https://ncgov.servicenowservices.com/csm_vaccine) and select the "**Vaccine Provider**" option to submit your question or issue.
