How do I create a Vaccine Provider account with the NC Vaccines Help Desk?

Step 1: Register within the NC Vaccines Help Desk Portal
• Navigate to the NC Vaccines Help Desk Portal at https://ncgov.servicenowservices.com/csm_vaccine.
• Select “LOGIN” in the top-right-hand corner of the Navigation ribbon. Select “REGISTER” on the left-hand side of the Login page. Complete the Customer Registration form. Required fields include first name, last name, business email, registration code, and Terms & Conditions.
  • NOTE: the registration code is your organization’s CVMS ORG-ID, which can be found in the Provider Enrollment Portal within the Responsible Officers tab. If you need additional assistance locating your ORG-ID, please contact the NC Vaccines Help Desk at 877-873-6247.

Step 2: Receive a Help Desk User ID and Temporary Password via Email
• An email will be sent to the provided email address with a Help Desk User ID and temporary password.
• Return to the NC Vaccines Help Desk Portal homepage and select “LOGIN” from the Navigation ribbon. Log in with these credentials.

Step 3: Set a Permanent Password
• After logging into the NC Vaccines Help Desk Portal with a temporary password, follow the system prompts for setting a permanent password.
• Save this User ID and permanent password for future use when logging into the NC Vaccines Help Desk Portal.

How do I submit a NC Vaccines Help Desk case as a Vaccine Provider?

Step 1: Navigate and Login to the NC Vaccines Help Desk Portal
• Navigate to the NC Vaccines Help Desk Portal homepage. Select “LOGIN” from the Navigation ribbon. Log in using Help Desk-specific User ID and Password.

Step 2: Submit a Help Desk Case Using the “Vaccine Provider” Tile
• From the Help Desk Portal homepage, select “VACCINE PROVIDER” to view the Provider Landing Page.
• Select “GET HELP” to view the Vaccine Provider intake form. Fill out all required fields.
• The first time that a provider submits a case, the Provider Organization field will populate as “Generic Vaccine Provider.” Providers fill out the name of their primary Provider Organization in the field below. A return user will see that the name of the organization that they wrote into the first ticket now appears in the auto-filled Provider Organization field, replacing “Generic Vaccine Provider.” Users can submit a ticket for this primary provider organization or for a secondary provider organization.
• Within the Request Information section, open the drop-down field labeled “REQUEST TYPE,” and select the appropriate request type from the options. Then, use the “DESCRIPTION OF REQUEST” free-text field to provide more details about your issue or request.

Step 3: Track Changes Made to the Case and Provide Additional Information, If Requested
• Once you select “SUBMIT” on the intake form screen, you will be directed to a confirmation screen with the case ID number. Communications from the Help Desk agent assigned to your case will arrive via email.
• To view the status of your case(s) in the future, log in to the NC Vaccines Help Desk Portal and select “MY LISTS” from the Navigation ribbon.
