Child Care P-EBT Eligibility Flowchart

Child Care Pandemic EBT (P-EBT) is a food assistance program for households that receive Food and Nutrition Services (FNS) and have children 5 years old and younger to help purchase food during the COVID-19 pandemic.

There is no application for P-EBT. P-EBT eligibility will be determined each month based on the child's age and status of the FNS case. If the child is no longer included in an active FNS case, P-EBT benefits will end with the last month of FNS.
