Don't let COVID-19 and the flu stop you. Get your updated vaccines today.

Being part of family and community gatherings is important and so is protecting those you love. American Indians are twice as likely to be hospitalized or die from COVID-19.¹

Updated vaccines are:
Tested • Safe • Effective

Vaccines cut your risk of getting really sick from COVID-19² or the flu³ in half — which is especially important for those at higher risk like young children and elders.
